

## Via Benefits

helps you find a plan that covers you and your family

**If you are losing group coverage, Via Benefits Insurance Services can help.**

**Via Benefits** is a free resource that offers you an online marketplace and personal shopping assistance to make it easier to understand your options and enroll in health insurance.

**We are not an insurance company, nor are we directly affiliated with any** – so you get unbiased support and guidance in finding the right plan for you and your family.

### When you use Via Benefits you get access to:

An easy-to-use online experience

Friendly phone support

A robust recommendation engine

Efficient, accurate enrollment

Objective guidance

Support after you enroll

### Use Via Benefits' tools and website to evaluate options

In our online marketplace, we provide decision-support tools that take into consideration you and your family's particular needs, prescription drugs, and budget. You are able to compare the most appropriate plans side by side. If at any time you have questions or can't find what you are looking for, our friendly support staff is available to assist you over the phone. **Our service is at no cost to you.**
